सं० एग्र० ए० (4) 3/83—हिमाचल प्रदेश के राज्यपाल, इस विभाग की सभ संव्यक्त अधिसूचना दिनांक 21-11-1983 के अनुक्रम में शिला भूमि विकास समितियों के कार्य के संबंध में की गई यात्रा के लिए समितियों के गैर-सरकारी सदस्यों को संलग्न अनुबंध "क" में निर्धारित दर शर्तों के अनुसार/आधार पर यात्रा भत्ते एवं दैनिक भत्ते का भुगतान किए जाने के सहर्ष आदेश देते हैं।

अनुबन्ध "क"

### 1. यात्रा भत्ता

विधान सभा/लोक सभा सदस्यों के अतिरिक्त अन्य सदस्य

(i) रेलयात्रा—ये प्रथम श्रेणी के कर्मचारियों के बराबर माने जायेंगे और ऐसे वास्तविक रेल किराये के अधिकारी होंगे जिस श्रेणी में उन्होंने वस्तुतः यात्रा की हो किन्तु यह श्रेणी सामान्यतः प्रथम श्रेणी के सरकारी कर्मचारी को नियत की गई श्रेणी से अधिक नहीं होगी। अर्थात् ऐसी श्रेणी जो प्रथम श्रेणी के कर्मचारियों के लिए रेलों में उपलब्ध उच्च श्रेणी है और चाहे इसे किसी भी नाम से पुकारा जाता है, से यात्रा की जा सकती है।

(ii) सड़क द्वारा यात्रा—सदस्य बस द्वारा एक स्थान (सीट) लेकर यात्रा करने पर वास्तविक किराया के हकदार होंगे। यदि यात्रा अपनी कार/पूरी टेक्सी से की हो तो पहाड़ी क्षेत्र में 2/- रुपये प्रति कि० मी० और मैदानी क्षेत्र में 1.65 रु० प्रति कि० मी० की दर से और यदि यात्रा मोटर साइकल/स्कूटर से की गई हो तो पहाड़ी क्षेत्र में 65 नये पैसे प्रति कि० मी० और मैदानी क्षेत्र में 50 नये पैसे प्रति कि० मी० की दर से माइलज भत्ता लेने के हकदार होंगे।

(iii) ऊपर (i) और (ii) में निहित किराये अथवा माइलेज के अतिरिक्त सदस्य अपने स्थायी निवास स्थान से प्रस्थान और पुनः वहां वापसी के बीच की सम्पूर्ण अनुपस्थिति के लिये उसी दर पर और उन्हीं नियमों के अनुकूल दैनिक भत्ता प्राप्त करेगा जो प्रदेश सरकार के प्रथम श्रेणी के अधिकारियों को लागू होता है।

### 2. दैनिक भत्ता :

(i) गैर-सरकारी सदस्यों की बैठक के दौरान प्रत्येक दिवस के लिये उस उच्चतम दर पर दैनिक भत्ता दिया जायेगा जो वहां के स्थानीय क्षेत्र के लिए प्रथम श्रेणी के सरकारी कर्मचारी को देय हो।

(ii) बैठक के दौरान प्रत्येक दिन/दिनों के लिये दैनिक भत्ते के अतिरिक्त सदस्य, समिति के कार्य निष्पादन में बाहर स्थान पर ठहरने के लिये भी दैनिक भत्त का निम्नलिखित रूप में अधिकारी होगा:—

(अ) यदि मुख्यालय से अनुपस्थिति 6 घण्टे से अधिक न हो।	शून्य
(ब) यदि मुख्यालय से अनुपस्थिति 6 घण्टे से अधिक हो और 12 घण्टों से अधिक न बढ़े।	70%
(ग) यदि मुख्यालय से अनुपस्थिति 12 घण्टों से अधिक बढ़ जाये।	पूर्ण

### 3. वाहन भत्ता :

यदि सदस्य उनी स्थान का निवासी है जहां समिति की बैठक हो तो उस दशा में वह सदस्य उपर्युक्त दर पर यात्रा एवं दैनिक भत्ते का अधिकारी नहीं होगा। उसे केवल किराये पर लिये गये वाहन का वास्तविक खर्चा अधिकारिष्ठ 10 रुपये प्रतिदिन की सीमा तक दिया जाएगा। इस प्रकार का भुगतान करने में पूर्व नियंत्रक अधिकारी को कथित दावे (क्लेम) के सम्बन्ध में पुष्टि के लिए ऐसा व्यौरा प्रस्तुत करना होगा जो वह आवश्यक समझें और तदुपरांत यह संतोख देना होगा कि वास्तविक खर्चा दी जाने वाली राशि से कम नहीं है। यदि ऐसा सदस्य अपने वाहन का उपयोग करे तो उसे माइलेज भत्ता उस दर पर दिया जायेगा जिस पर प्रथम श्रेणी के सरकारी कर्मचारी को दिया जाता है किन्तु जिसकी अधिकारिष्ठ सीमा 10 रुपये प्रतिदिन होगी।

4. यात्रा भत्ता एवं दैनिक भत्ता सदस्य को तभी दिया जायेगा जब वह इस प्रकार का प्रमाण पत्र प्रस्तुत करेगा कि कथित यात्रा एवं ठहरने के लिये उसने किसी अन्य सरकार/स्वतंत्र में यात्रा भत्ता या दैनिक भत्ता नहीं लिया है।

5. समिति की बैठक के सम्बन्ध में सदस्य को अपनी वास्तविक यात्रा के लिये यात्रा भत्ता लेने की पात्रता प्राप्त करने के लिये अपने निवास स्थान जहां से/पर यात्रा आरम्भ/समाप्त होगी का नाम पहले देना होगा। यदि कोई सदस्य समिति की बैठक में भाग लेने के लिए ऐसे किसी स्थान से यात्रा करता है जो उसका स्थायी निवास स्थान नहीं है या बैठक के समाप्त होने पर वापिस ऐसे स्थान को लौटता है जो उसका निवास स्थान नहीं है, तो यात्रा भत्ता तब की गई वास्तविक दूरी या स्थायी निवास और बैठक के स्थान के मध्य की दूरी दोनों में जो कम हो, के आने पर परिगणित किया जायेगा।

### 6. विधान सभा सदस्य:

ऐसे गैर-सरकारी सदस्यों को जो विधान सभा के सदस्य हैं, समिति के काम के सम्बन्ध में की गई यात्राओं के लिये यात्रा भत्ता/दैनिक भत्ता समय समय पर संशोधित विधान सभा सदस्यों के वेतन और भत्ते अधिनियम के अन्तर्गत निर्धारित शर्तों के आधार पर दिया जायेगा।

7. इन सदस्यों को, उनके नियत कार्य के सम्बन्ध में जबकि विधान सभा या विधान समिति, जिसके लिये उनकी सेवाएं ली गई हो, सभा में हो तो दैनिक भत्ता नहीं दिया जायेगा क्योंकि वे अपना दैनिक भत्ता हिमाचल प्रदेश विधान सभा सदस्यों के वेतन और भत्ते अधिनियम, 1971 के अधीन विधान सभा से लेंगे। यदि वे ऐसा प्रमाण पत्र दें कि ये इस नियत कार्य के निष्पादन में विधान सभा या विधान सभा समिति की बैठक में भाग नहीं लिया और उन्होंने इसके लिये विधान सभा से कोई दैनिक भत्ता प्राप्त नहीं किया है तो उन्हें निर्धारित दर पर दैनिक भत्ता दिया जायेगा।

गैर सरकारी सदस्यों को यात्रा भत्ता के कारण यदि अतिरिक्त भुगतान हो गया हो तो हि० प्र० राजकोष नियमों के नियम 4-17 और 6-1 में दिये गये प्रावधान पूर्ण रूपेण (म्यूटेटिस म्यूटेटिस) लागू होंगे।

सदस्य ऐसा यात्रा भत्ता, दैनिक भत्ता और परिवहन भत्ता प्राप्त नहीं करेगा जिससे वह विधान सभा की सदस्यता से अयोग्य हो जाये।

आदेश द्वारा,  
भक्त चन्द नेगी,  
वित्तियुक्त एवं सचिव।

'परिशिष्ट'

ति के गैर-सरकारी सदस्यों को यात्रा भत्ता/दैनिक भत्ता आदि की दरें

1. यात्रा भत्ता :

(1) रेल यात्रा.—इनके साथ प्रथम श्रेणी के सदस्य अफसरों का वर्ताव होगा और इन्हें प्रथम श्रेणी के अफसरों की तरह संरक्षित स्थान जो रेल विभाग ने उपलब्ध कर रखा होगा का पात्र माना जायेगा और ये जिस

श्रेणी में यात्रा करें उन यात्रा तत्विक किया दिया जाएगा। लेकिन यह किराया प्रथम श्रेणी के अधिकारियों के जैसे ही किराये के बढ़ाना चाहिए।

(2) सड़क यात्रा.—उन्हें साधारण बस द्वारा एक स्थान लेकर यात्रा करने पर बाधा न होकर यात्रा करेगा और यदि वे मोटर साइकल या स्कूटर पर यात्रा करेंगे तो उन्हें पहाड़ी क्षेत्र में सड़क पर 4.3 पैसे तथा मैदानी में 3.3 पैसे प्रति किलोमीटर की दर से माइलेज भुगतान मिलेगा और यदि यात्रा अपनी कार या पूरी टैक्सी लेकर की गई हो तो सड़क क्षेत्र में पहाड़ी क्षेत्र की यात्रा दर 1.40 तथा मैदानी क्षेत्र में 1.10 रुपये प्रति किलोमीटर की दर से सड़क मील दूरी भत्ता मिलेगा। (इसमें हिमाल की 3.3 प्रतिशत बढ़ोतरी भी शामिल है)।

(3) उपरोक्त वस्तुविक्रय और माइलेज के प्रतिरिक्त सदस्य अपने स्थानों निवा। स्थान से बाहर रहने के दिनों का दिन भत्ता भी लेगा। इसमें घाटे से चलने का दिन और घर में पहुंचने का दिन भी शामिल है। इसकी दर वही होगी जो कि राज्य के प्रथम दर्जे के अधिकारी की है।

2. दैनिक भत्ता.—(1) गैर-सरकारी सदस्यों को बैठक में भाग लेने पर प्रतिदिन दैनिक यात्रा भत्ता उसी उच्चतम दर पर देय होगा जिस दर से कि प्रथम श्रेणी के अधिकारी का अपने स्थानानुसार देय होता है।

(2) दैनिक भत्ते के प्रतिरिक्त बैठक के दिनों में सदस्य नीचे लिखी दरों पर स्थान से बाहर बोर्ड के काम के लिए यात्रा करने पर यात्रा के दिनों बाहर ठहरने के लिए दैनिक भत्ते का भी अधिकार होगा :—

- (क) यदि मुख्य स्थान से अनुपस्थिति 6 घण्टे से अधिक न हो। .. शून्य
- (ख) अगर मुख्य स्थान से अनुपस्थिति 6 घण्टे से बढ़ जाये किन्तु 12 घण्टों से अधिक न बढ़े .. 70 प्रतिशत

The Executive Engineer, H.P. P.W.D., Irrigation and Public Health Division, Palampur (Kangra), Himachal Pradesh ... Respondent.

Application under section 33-C (2) of Industrial Disputes Act

### ORDER

The reply on the respondent's side has been filed today. Factual position is practically admitted as alleged by the applicant. The only thing added is that the applicant was taken over a daily wage worker from 16-1-1978 when the water channel (kuhal) was taken over by the Government. It is further admitted that the post of Work-Supervisor in the scale of Rs. 100—160 on work charge basis was created by the Governor of Himachal Pradesh w.e.f. 12-7-1979 for the applicant. In this behalf the letter per copy marked "X" from the Secretary P.W.D., was issued under the signatures of the Deputy Secretary addressed to the Chief Engineer, P.W.D., Shimla who in turn endorsed the said letter to Shri V.P. Mongra, X.E.N. Irrigation and Public Health Division, Palampur with the direction that the applicant Dina Nath may be paid the salary from the date of the sanctioning of the scale of pay as Work-Supervisor to him and report in that regard be sent to the office of the Chief Engineer. It was also further directed that the applicant be informed accordingly.

2. Here it may be stated that the Government took over the management and rights of a kuhal (irrigation water channel) known as Kripal Chand Kuhal in Palampur Sub-Division of Kangra district w.e.f. 16-1-1978. The applicant was already working there as head Kohli for the last twelve years. Accordingly his services also came to be taken over by the Government as such. Firstly he was paid on the daily wages rates and afterwards a regular salary scale for the said job as 'Work Supervisor' on work charge basis was created as noticed above and admitted on the side of the respondent.

3. The stand now taken on the respondent's side is that the applicant did not fulfil the educational and age qualifications and so he was not formally appointed against the post. It is not denied that the applicant was working in the department at the time of issuing of the above orders of the Government regarding the creation of post and release of that post's scale to the applicant. Of course he was working at that time on daily wages.

4. Objection regarding the educational and age qualifications of the applicant cannot be raised in this case as

the post was specially created and released for the applicant, as a special measure, to meet the special situation created by taking over the kuhal. So that qualifications of education and age stood relaxed in case of the applicant. The Government had passed the orders in specific terms with release of the scale of pay from the date of the creation of the post, in favour of the applicant who was already working in the department over the job. Nothing more remained to be done by any subordinate authority to question the orders of the Government in fact the post was created specially by name for the applicant. In that being so, the applicant was entitled to the pay scale of the post of Work Supervisor in the scale of Rs. 100—160 with necessary addition of allowances and other emoluments prevailing for such scale of pay on work charge budget.

5. The Chief Engineer, is said to have addressed another letter dated 17-8-1974 to the Superintending Engineer, P.W.D., Dharamshala, with respect to the above referred matter of applicant's appointment as work-charge, Work Supervisor in the scale of Rs. 100—160 directing him to do the needful in the matter of appointment.

6. There is preliminary objection raised on the respondents' side that the matter of claim of emoluments in the scale of Rs. 100—160 as Work Supervisor to the applicant cannot be entertained under section 33-C (2) Industrial Disputes Act. But I find that this objection is untenable because the only question involved in this claim matter is of computation of the pay emoluments according to the admitted scale sanctioned in favour of the applicant by the Government. So it is a matter which clearly falls under these provisions of the Industrial Disputes Act. He has been paid lesser pay on the basis of daily wage worker.

7. The applicant has claimed Rs. 1,441/- being received less by him after adjusting the wages received by him from 12-7-1979 till 31-5-1980 as a daily wage worker. There is no contrary contention on this score in the reply of the respondent. Accordingly, I order that the respondent shall pay w.e.f. 12-7-1979 to 31-5-1980 i.e. till the date of this application Rs. 1,441 as salary arrears.

8. The copy of this order be sent to the parties. The record of the case be sent to the Secretary, Labour Department, Himachal Pradesh, Shimla.

Reply has been filed yesterday when the applicant was not present. Today applicant's representative is present. 22-1-1981 Present: Shri P. S. Dogra A. R. for the applicant; Shri Jassu Ram, Supdt. H. R. T. C., Mandi on behalf of respondent.

## ORDER

In this application under section 33-C(2) of Industrial Disputes Act the applicant as retired driver is claiming monetary benefit for 52 days of accumulated compensatory leave on account of non-availing of rest days which were due to him during his tenure of service. The applicant has not given the amount of compensation in this behalf which he will be entitled to get.

2. The provisions of weekly rest and compensatory days of rest is provided under section 19 and 20 of the Motor Transport Workmen Act, 1961. Under these provisions one day of rest for every seven days shall have to be provided to all motor transport workmen. Under section 20 aforesaid the worker shall be allowed within the month in which the days of rest are due to him compensatory days of rest or within two months following that month.

3. From the above it is clear that there is no existing and substantive right is convertible into money benefit on account of non-availing the rest days or the compensatory leave in lieu thereof, during the tenure of service by a worker. Such a claim is not covered under section 33-C(2) of Industrial Disputes Act. It is a different matter if it may give rise to a regular Industrial Dispute and reference thereof. Therefore, I dismiss this claim as not tenable, No order as to costs.

## ORDER

The applicant put in his claim for T.A., over time and night out allowance for the months of September, October and November, 1978 as Conductor in Himachal Road Transport Corporation (HRTC) Dharamshala region. Strangely enough he did not give the amount of the allowance due to him for the aforesaid period.

2. The respondent H.R.T.C. Assistant Manager, Dharamshala was summoned in the case for 9th June, 1979. He put in the reply dated 30-6-1979 there the applicant had not submitted his T.A., night out allowance claim for September to November, 1978.

- (2) Relief.

5. On the applicant side no evidence whatsoever was produced except tendering the claim bills Ex. P1 to Ex. P3. The applicant has given the timings of duties performed out of the headquarters and put the amount of

TA/out night duties allowance without giving rates, arbitrarily whereas the respondent has admitted the timings of such out of headquarters duties as correct as given by the applicant and has checked the claim and found due amount according to rules applicable.

### ORDER

The five applicants Sarvshri Devi Saran, Mast Ram, Chanan Singh, Sansar Singh and Lek Raj have preferred this application under sub-section (2) of section 33-C of the Industrial Disputes Act claiming salary as drivers of the trucks which work they are doing under, the respondent Corporation in place of the IV class employees scale as Cleaner i.e. 70—95 being paid to them.

2. The respondent/Forest Corporation has put in written statement that the applicants are on deputation from the Forest Department of Himachal Pradesh Government with the Forest Corporation vide notification dated 18-6-1978 copy marked 'X' on the terms and conditions provided therein. In this way the applicants are claiming wages in respect of a different category of posts than the post against which they have been taken on deputation by the respondents from the Forest Department of Himachal Pradesh Government. This claim of the applicants for higher wages as Drivers instead of the wages being paid to them as cleaner, is not a matter of computation of money benefit available to them on the present existing right. The scale of cleaner given in the annexure to

the claim petition by the applicants is Rs. 70—95 while the scale of drivers is Rs. 100—160 p.m. basic. So apparently the claim for a different category of post on a higher scale cannot be granted under section 33-C(2) of Industrial Disputes Act. The applicants can raise a regular Industrial Dispute if they so desire.

3. So this claim petition is rejected without any order to costs. However, the respondents/Forest Corporation in their written statement has stated that the applicants claim for higher wages as drivers can be considered by the Corporation in consultation with their parent department in case there are regular representations to this effect that they are working as drivers in the Forest Corporation but are being paid as cleaner/conductor.

4. Accordingly, the respondent/Forest Corporation may consider their cases for higher wages taking this claim petition filed before Labour Court as a representation for the higher salary scale as drivers, which work they are carrying out with the respondents.

5. A copy of this order may be given to the Officer Incharge, Mechanical Unit, Timber Extraction Division, Shamshi, Kullu for necessary action and consideration by the Corporation.

This file be sent to Secretary, Labour Department, Government of Himachal Pradesh.

4. The applicant appeared in evidence tendering the claim bills Ex. P 1 to Ex. P.9. The applicant has given the timings of duties performed out of the Headquarters and put the amount of T.A./out night duties allowance without giving rate arbitrary whereas the respondent has admitted the timings of such out of Headquarters duties correct as given by the applicant and has worked out the claim and found due according to rules applicable.

5. Shri Manjit Singh, Junior Auditor-cum-Accountant, HRTC, Dharamshala has appeared in evidence and referred to the T.A. rules and instruction per copy Ex.RWI/A to RWI/E. According to him the applicants claim comes to Rs. 572.70 paise in place of Rs. 1,954.50 shown by the applicant. Thus it is found that the respondent has passed the T.A./out night duty allowance claimed by the applicant according to rules applicable and the amount due is lying with the Cashier of Dharamshala, H.R.T.C. office which the applicant could receive any time.

6. The applicant had made a vague claim and produced no evidence except making his own statement to substantiate the arbitrary claim as submitted during the pendency of this petition.

7. In result this petition is dismissed without any order to costs. The applicant, however, can receive the amount of Rs. 572.70 paise offered by the respondent.

## 6. Relief :

FINDINGS ON THE AFORESAID ISSUES

Issue No. 4 :

2. The respondent Forest Corporation initially on 26-6-1976, per resolution copy of which is Ex. R 1, decided that the bonus at the rate of 8.33% be paid to the staff/officers working in head office and Nahar Factory. In respect of Bilaspur Rosin and Turpentine Factory the bonus at the rate of 4% was passed to be paid.

3. Against the above decision regarding bonus, the employees of the Head Office, Shimla, Rosin and Turpentine Factory Bilaspur and Nahan Factory represented that they may be paid bonus at higher rates. Thereupon the Forest Corporation Board revised the bonus rates for Nahan (R&T) Factory at the rate of 14.49% and for head office employees at the rate of 20% while the Bilaspur R & T Factory employees were allowed the same previous rate of 4% bonus. This change of bonus rates was done in the Forest Corporation Board meeting dated 27-4-1977. In this behalf statement of Shri P. D. Nanda, Assistant in the Office of the Managing Director Himachal Pradesh State Forest Corporation, Shimla (RWI) may be referred.

4. Again Bilaspur R & T Factory employees represented for higher bonus. Consequently the Corporation Board in its meeting dated 31-12-1977, per resolution copy of which is Ex. R. 5, revised the bonus to head office employees at the rate of 8.33% and brought at par with the Bilaspur Factory employees i. e. the latter were given 4.33% incentive production payment in addition to the earlier 4% bonus awards to them.

5. The head office employees have made the claim that they are entitled to get the bonus at the rate of 20% as initially awarded to them, and that further reduction to 8.33% is arbitrary and uncalled for. They claim that on the existing right on the basis of the bonus schemes as initially approved by the respondent, entitled them to the monetary benefit computed accordingly under section 33-C (2) of Industrial Dispute Act.

6. The contention on the side of the respondents is that they have rationalised the scheme of bonus payment to be at par for all the employees of the Corporation and that the loss suffered by the corporation do not justify the grant of 20% bonus to the head office employees. To the stand taken up by the respondent is not tenable by facts and under law. Firstly once the bonus having been awarded according to scheme, it could not be altered and revised unilaterally by the respondents without giving any hearing to the applicants/employees of the head office. Recovering the amount of bonus already sanctioned and paid, from the applicants/head office employees was not only putting them to financial hardship but brought with penal civil consequences resulting in financial loss. So the principles of natural justice were violated in revising the bonus scheme to the detriment of the applicants and existing and recognized right was denied to them without giving hearing.

7. Secondly the revised scheme of bonus appears to be arbitrary adopted, causing reduction of 11.67% bonus to the head office employees on the ground of loss suffered by the corporation, as no loss what so ever was incurred by the respondent corporation for the relevant year of 1974-75 as shown in its First Annual Accounts and Reports which on the contrary shows the bonus payment is duly accounted for and still not profit amounts to Rs. 9,765.19. So there was no justification whatsoever for reducing the bonus on the ground of so called losses suffered by the corporation as indicated per Ex. R 5 decision dated 31-12-77. Payment on uniform basis to all the employees or the three units of the corporation i. e. (i) Head Office, (ii) Nahan R & T Factory and (iii) Bilaspur R & T Factory is also untenable per Ex. R 5, only the bonus of head office employees and Bilaspur Factory were brought at par but Nahan unit was not affected by this decision, thereby allowing them bonus as the rate of 14.49 per cent as decided by the respondents Corporation Board in its meeting dated 27-4-1977. For the above, this issue is held in affirmative.

Issue No. 5 :

10. The fact that from 95 % of the employees, the amount of bonus in excess to 8.33% has been recovered by the respondent corporation, in no way affects the right of refund of the same amount to the applicants.

## RELIEF :

11. For the foregoing findings on the issues, the applicants/head office employees of the corporation at Shimla are to be paid the amount of bonus deducted and recovered from them at the rate of 11.67% for the year 1974-75 in addition to 8.33% allowed. No order as to costs.

12. This order shall be in continuation to the earlier order dated 22-5-1980 as consolidated order. This order shall also be applicable in case No. 35/79, M.S. Jain vs. Himachal Pradesh State Forest Corporation and case No. 90/78 Satish Kumar versus H. P. State Forest Corporation. Copy of this order be placed on the record of the said cases for completion of record. The copy of this order be sent to the applicants representative, Shri J. K. Badhab, General Secretary H. P. State Forest Corporation Ltd. Head Office payment on uniform basis in all the employees of the three units of the Corporation i. e. (i) Head Office, (ii) Nahan R&T Factory and (iii) Bilaspur R&T Factory per Ex. R 5 only the bonus of head office employees and Bilaspur Factory were brought at par but Nahan unit was not affected by this decision, thereby allowing them bonus at the rate of 14.49% as decided by the respondent corporation Board in its meeting dated 27-4-1977. For the above, this issue is held in affirmative.

Issue No. 5 :

The fact that from 95% of the employees, the amount of bonus in excess to 8.33% has been recovered by the respondent Corporation, in no way affects the right of refund of the same amount to the applicants.

## RELIEF :

9. For the foregoing findings on the issues, the applicants/head office employees of the corporation at Shimla are to be paid the amount of bonus deducted and recovered from them at the rate of 11.67% for the year, 1974-75. No order as to costs.

10. This order shall be read in continuation to the earlier order dated 22-5-1980 as consolidated order. This order shall also be applicable in case No. 35/79 M.S. Jain versus H.P. arrears of wages due from the respondents.

## ORDER

The applicant has made claim for recovery of  
Rs. 9,000 amount of wages at the rate of Rs. 400 per

month for having worked with the respondents. This amount relates to the period from 1-11-1976 to 15-5-1979.

The application is made under sub-section (2) of section 15 of the Payment of Wages Act. Obviously this application is preferred before this labour court which has no jurisdiction to entertain the matter in issue of the recovery of wages because the Presiding Officer of this labour court has not been appointed under Government notification to be the Authority to hear and decide such claims of wages under section 15 (1) of the Payment of Wages Act. So the application has been put in a wrong forum which has no jurisdiction in the matter.

3. Moreover, the claim covers the back wages for 2½ years period while the proviso to sub-section (2) of section 15 of the Payment of Wages Act lays down the period of 12 months for recovery of wages due. Therefore, also the claim petition having been filed on 27-6-79 can cover less than 12 months period i.e. with effect from 27-6-1978 to 15-5-1979 which is the period falling within twelve months from the date of filing the petition.

4. In result this application is dismissed as misdirected and filed as a court without jurisdiction. The applicant may seek his remedy in a competent court of law. No order regarding costs. The copy of this order be sent to the applicant.

Himachal Pradesh State Forest Corporation Ltd.,  
Shimla ...Respondent.

### ORDER

H.P. State Forest Corporation, Head Office Employees-Union, Shimla, is the applicant in this case representing 17 employees of the respondent-Corporation. They have filed this application under section 33-C (2) of the Industrial Disputes Act (I.D. Act), regarding the claim of bonus amount. They were paid firstly 20% bonus for the year, 1974-75 but later on this bonus awarded was reduced to 8.33% and the amount already paid in excess of 8.33% was recovered from the applicants. Now the applicants want the determination of the amount. The amount of bonus which they claim back now is given per list attached to their application.

The Respondent-Corporation has opposed this claim on legal objections and on merits it is stated that there were different rates of bonus for the employees of the Corporation of different units and with a view to have uniform scheme of bonus, it was fixed at 8.33%.

The respective contentions of the parties gave rise to the following issues:—

- (1) Whether the claim petition for restoration of bonus reduction from 20% to 8.33% is a matter covered by section 33-C (2) of Industrial Dispute Act and not a matter of reference of Industrial Tribunal? OPP.
- (2) Whether in face of the rejection of this claim matter for a reference of a Industrial Tribunal by the Government previously, the present petition does not lie? OPR.
- (3) Whether this claim petition is time barred? OPR.
- (4) Whether the decision of the respondent in reducing the bonus from 20% to 8.33% is arbitrary and illegal and the applicants are

entitled to its restoration at the rate of 20% OPP.

- (5) Whether from 95% of the employees, the excess bonus of 8.33% has been recovered and if so, to what effect? OPR.
- (6) Relief.

Issues No. 1 to 3 have been taken as preliminary issues.

### FINDINGS ON THESE ISSUES

Issue No. 1 :

From the written statement of the respondent corporation, it is clear that the bonus amount at the rate of 20% had been allowed to the applicants and later on the scheme was modified by reducing the bonus to 8.33% and the difference of excess amount recovered. So it is not a matter of disputed right regarding the awarding of bonus claim to the applicants but only the quantum and amount of the bonus is in dispute. In such a case the authority A.I.R. 1968 Supreme Court 218: *East India Coal Co. Ram-shwer*, is applicable. It lays down as under:

"It is clear that the right to the benefit which is sought to be computed must be an existing one, that is to say already adjudicated upon or provided for and must arise in the course of and in relation to the relationship between an industrial workmen and his employer. Since the scope of sub-section (2) of section 33-C is wider than that of sub-section (1) and the sub-section is not confined to cases arising under an award, settlement or under the provision of chapter VA, there is no reason, to hold that a benefit provided by a statute or a scheme made thereunder, without there being anything contrary under such statute or section 33 C (2) can not fall within sub-section (C). Consequently the benefit provided in the bonus scheme made under the Coal Mines Provident Fund and Bonus Scheme Act, 1948 which remains to be computed must fall under sub-section (2) and the Labour Court therefore had jurisdiction to entertain and try such a claim, it being a claim in respect of an existing right arising from the relationship of an industrial workmen and his employer.

On the other side, 1975 Labour and Industrial cases (Page-1180) *Arantha vs. Universal Radiators*, Madras High Court authority has been cited. This authority says that the disputed claim of bonus is not covered under section 33 C (2) of the I.D. Act but can be settled by the Industrial Tribunal as a regular industrial dispute.

This Madras High Court authority can not be followed. Firstly, the facts of the two cases are different. In that Madras case, the very right and claim of bonus was in dispute while here in the instant case, the amount of bonus is in controversy. Secondly, the above referred Supreme Court authority has to prevail which appears not to have been noticed by the Hon'ble Madras High Court.

Therefore, this issue is held for the applicants that the claim matter is entertainable in this application.

Issue No. 2 :

This issue in the face of finding on Issue No. 1, does not arise.

Issue No. 3:

This issue has not been pressed and is also covered by the Supreme Court authority referred under issue No. 1 above.

5. Whether from 95% of the employees the excess bonus of 8.33% has been recovered and if so, to what effect? OPR.
6. Relief.

**FINDINGS ON THE AFORESAID ISSUES**

*Issue No. 4:*

2. The respondent Forest Corporation on 26-6-1976 per resolution copy of which is Ex. R.1, decided that bonus at the rate of 8.33% be paid to the staff/officers working in head office and Nahan Foundry. In respect of Bilaspur Rosin and Turpentine Factory the bonus at the rate of 4% was passed to be paid.

3. Against the above decision regarding bonus the employees of the Head Office Shimla, Rosin and Turpentine Factory, Bilaspur and Nahan Factory represented that they may be paid bonus at higher rates. Thereupon the Forest Corporation Board revised the bonus rates for Nahan (R&T) Factory at the rate of 14.40% and for head office employees at the rate of 20% while the Bilaspur R&T Factory employees were allowed the same previous rate of 4% bonus. This change of bonus rates was done in the Forest Corporation Board meeting, dated 27-4-1977. In this behalf statement of Shri P.D. Nanda, Assistant in the office of the Managing Director, Himachal Pradesh State Forest Corporation, Shimla (RW 1) may be referred.

4. Again Bilaspur R&T Factory employees represented for higher bonus. Consequently the Corporation Board in its meeting dated 31-12-1977, per resolution copy of which is Ex. R 5 revised the bonus to head office employees at the rate of 8.33% and brought at par with the Bilaspur factory employees while the latter were given 4.33% incentive production payment in addition to the earlier 4% bonus awarded to them.

5. The head office employees have made the claim that they are entitled to get the bonus at the rate of 20% as initially awarded to them, and that further reduction to 8.33% is arbitrary and uncalled for. They claim that on the existing right of the bonus scheme as initially approved by the respondent, entitles them to the minority benefit computed accordingly under section 33-C(2) of Industrial Dispute Act.

6. The contention on the side of the respondents is that they have rationalised the scheme of bonus payment to be at par for all the employees of the Corporation and that the loss suffered by the Corporation do not justify the grant of 20% bonus to the head office employees. The stand taken up by the respondent is not tenable by the facts and under law. Firstly, once the bonus having been awarded according to scheme, it could not be altered and revised unilaterally by the respondents without giving any hearing to the applicants/employees of the head office. Recovering the

So the principles of natural justice were violated in revising the bonus scheme to the detriment of the applicants and their existing and recognised right was denied to them without giving hearing.

7. Secondly the revised scheme of bonus appears to be arbitrary adopted causing reduction of 11.67% to the head office employees on the ground of loss suffered by the corporation, as no loss whatsoever was incurred by the respondent corporation for the relevant year of 1974-75 as shown in its first annual accounts and reports which on the contrary shows the bonus payment duly accounted for and still net profit coming to Rs. 9,788.19. So there was no justification whatsoever for reducing the bonus on the ground of so called losses suffered by the corporation as indicated per Ex. R5 decision dated 31-12-1977. Again the ground of rationalisation of the bonus payment on uniform to all the employees of the three units of the Corporation i.e. (i) Head Offices, (ii) Nahan R&T Factory and (iii) Bilaspur R&T Factory per Ex. R 5, only the bonus of head office employees and Bilaspur Factory were brought at par but Nahan unit was not affected by this decision, thereby allowing them bonus at the rate of 14.49% as decided by the respondent, Corporation Board in its meeting dated 27-4-1977. For, the above, this issue is held in affirmative.

*Issue No. 5:*

8. The fact that from 95% of the employees, the amount of bonus in excess to 8.33% has been recovered by the respondent corporation, in no any effect the right of refund of the same amount to the applicant.

*Relief:*

9. For the foregoing findings on the issues, the applicants/head office employees of the Corporation at Shimla are to be paid the amount of bonus deducted and recovered from them at the rate of 11.40% for the year, 1974-75. No order as to costs.

Case No. 45 of 1977, Date of decision: 28-5-1979

Shri Laxmi Datt ... Petitioner.

*Versus*

Solan Food Products Private Ltd. ... Respondents.

Application under section 33-C(2) of the Industrial Disputes Act, 1947.

**ORDER**

The petitioner was an Accountant with the respondent M/s Solan Food Products (P) Ltd., Solan. He was getting a salary of Rs. 230 per month.

According to the petitioner he worked as Accountant

with the respondent till 2-8-1976 when he was verbally asked that he need not attend the office as his services were no longer needed. That this termination was without one month's notice as required under section 25(f) of the Industrial Disputes Act. So the petitioner claimed one month's salary plus the retrenchment compensation of 6½ months salaries i.e. calculated for 13 years and 4 months services duration with the respondents' under section 25(f) (b). His total claim is for Rs. 1,725.00.

The respondent contested the claim on various grounds. They contended that the services of the petitioner were neither terminated nor retrenched but he himself stopped coming and attending the office. That he lost the job by his own act and conduct and was doing part-time job of "PUROHITS" Astrologer during the service with the respondents also. The respondents liability to any such claim as asserted by the petitioner was denied.

The respondent questioned the maintainability of the claim before the labour court on the ground that the same should have been addressed to the State Government who should have forwarded it to the appropriate labour Court.

The petitioner filed rejoinder to the written statement of the respondent denying the allegations of his voluntary withdrawal from the service and explained that the Director and the Manager of the respondent's company sacked him on the first available opportunity on 2nd August, 1976 as he had committed indiscretion of lodging a civil suit for the recovery of his past salary arrears before the learned Senior Sub-Judge, Solan and the 1st hearing in the said suit was 31-7-1976.

Regarding the claim being addressed to the labour Court, it is stated that the petitioner was advised by the Labour Commissioner Himachal Pradesh vide his letter dated 18th July, 1977 to lay the claim before the Labour Court.

My learned predecessor raised the following issues to dispose of this claim controversy between the parties:

- (1) Whether the petitioner has been retrenched and is entitled to get the retrenchment compensation, if so to what amount? OPP.
- (2) Whether the petitioner is entitled to one month's salary in lieu of notice? OPP.
- (3) Relief.

#### FINDINGS ON ISSUES

The petitioner has stated on oath that he was retrenched on 2-8-1976 when he was drawing Rs. 230 per month as his monthly wages. He further stated that after retrenchment he put his claim before the Conciliation Officer where the respondent did not join the proceedings. So he had to file this petition thereafter.

There is practically no rebuttal to this evidence of the petitioner except the fact made out by Shri Manohar Chauhan Labour Inspector, Solan (RW-1) that the petitioner had not filed any application in the office of the Labour Commissioner for getting retrenchment benefit from the respondent though he had told him verbally that he had been retrenched by the respondent and that he had not been paid any retrenchment compensation. He further stated that he advised the petitioner to approach the Conciliation Officer who was the concerned authority.

From the above evidence it is very plain that the petitioner has not pointed out or proved any orders or scheme of retrenchment followed under section 25-F of the Industrial Disputes Act by the respondents. The respondents have denied that they terminated the services of the petitioner or effected any retrenchment much less in a formal manner. But the fact remains that the service of the petitioner were terminated by the respondent on 2-8-1976.

In such a situation the petitioner could claim the retrenchment compensation or re-instatement or compensation for wrong full termination of the service. But this remedy could be avoided by him by way of raising the dispute and having

it referred to the Industrial Tribunal by the State Government. The summary remedy of recovery of the compensation amount and its determination in such a case, cannot be under section 33(C)(2) of the Industrial Disputes Act. The law in such a case is as under as explained by the learned author of "The Law of Industrial Disputes, 1973" Second edition—by Malhotra, published by N.M.Tripathi (Vol. I, Page-721).

"The payment of compensation as required by S-25-F(b) is a mandatory pre-condition and the order made without complying with this requirement cannot constitute a valid retrenchment. In such a case the termination of service cannot be treated as a 'sort of retrenchment' (q). Any purported retrenchment will be void *ab initio* and therefore, invalid and inoperative in law. It will be a case of unlawful termination of service. The workman will be entitled to reinstatement and full wages for the period he is kept out of employment. However, the remedy of the workman is to raise an industrial dispute under S.22 and have the unlawful order of the employer set aside by an industrial tribunal on reference. Since such termination of service is not retrenchment, the question of retrenchment compensation cannot arise. In other words, the retrenchment compensation is payable only when there is 'retrenchment' within the meaning of the term defined in S. 2(99) i.e., discharge of surplus labour or staff by the employer for any reason whatsoever otherwise than as a punishment inflicted by way of disciplinary action".

The Hon'ble Supreme Court has explained the law on the point in *A.I.R. 1970 Supreme Court 237, U.P., Electric Supply Co., Ltd., Appellant versus R.K. Shukla and others respondents* that:

"If the liability arises from an onward, settlement or under the provisions of Ch.V A or by virtue of a statute or a scheme made thereunder more denial by the employer may not be sufficient to negative the claim under section 33C(2) before the Labour Court. Where however, the right to retrenchment compensation which is the foundation of the claim is itself a matter which is exclusively within the competence of the Industrial Tribunal to be adjudicated upon on a reference, it would be straining the language of section 33-C(2) to hold that the question whether there has been retrenchment may be decided by the Labour Court. The power of the labour Court is to compute the compensation claimed to be payable to the workmen on the footing that there has been retrenchment of the workmen. Where retrenchment is conceded, and the only matter in dispute is that by virtue of Sec. 25-FF no liability to pay compensation has arisen the Labor Court will be competent to decide the question. In such a case the question is one of computation and not of determination, of the conditions precedent to the accrual of liability. Where, however, the dispute is whether workmen have been retrenched and computation of the amount is subsidiary or incidental the Labour Court will have no authority to trespass upon the powers of the Tribunal with which it is statutorily invested."

It appears that the petitioner did not raise this claim of retrenchment compensation and one month's pay in lieu of notice even before the Conciliation Officer, District Solan which the purports to have been referred to the Learned Labour Commissioner vide Ex.-P.2 and P.1. Ex.P.2 is the memo dated 4th July, 1977 of Labour Commissioner to Conciliation Officer, Solan stating that the petitioner requested for the payment of outstanding dues from the management and had not raised any dispute in terms of Industrial Dispute Act, 1947. That his request for payment of his dues can be redressed by filing an application under section 33-C(2) of the Industrial Disputes Act, 1947 before the Labour Court. This memo copy has been endorsed to the petitioner by the Conciliation Officer on 18th July, 1977.

Prior to this the Conciliation Officer had advised the petitioner to pursue the matter with the appropriate authorities of the Government who had been informed of the failure of the conciliation proceedings.

Again it is clear from the record that the petitioner did not make any demand on the respondent management for the claim of retrenchment compensation and one month's salary amount in lieu of the notice. He at the best may have raised the said claim before the Conciliation Officer which is not clear on the record. In any case no reference of industrial dispute can be made in such a situation as laid down in A.I.R. 1970 Delhi 69, *F. L. Corporation (Pvt.) Ltd. versus Union of India* following A.I.R. 1968 supreme court 529. Here the law laid down is that—

"If no dispute at all was raised by the respondents, with the management, any request sent by them to the Government would only be a demand by them and not an industrial dispute between them and their employer. An industrial dispute, as defined, must be a dispute between employers and workmen. A mere demand to a Government with a dispute being raised by workmen with their employer, cannot become an industrial dispute. Consequently the material before the Tribunal clearly showed that no such industrial dispute, as was purported to be referred by the State Government to the Tribunal had ever existed between the appellant Corporation and the respondents and the State Government in making a reference, obviously, committed an error in basing its opinion on material which was not relevant to the formation of opinion".

#### Issue No. 2:

It is one month's salary claim in lieu of notice which is also covered by the same considerations as discussed in issue No. 1 above.

#### Issue No. 3:

In short this claim petition fails. The parties are left to bear their own costs in the case.

The above order is announced to the parties at Solan on 28th day of May, 1979.

Sd/-  
Solan, the 28th May, 1979. *Presiding Officer, Labour Court, Himachal Pradesh, Camp at Solan.*

**Before Shri H. D. Kainthla, Presiding Officer, Labour Court for the State of Himachal Pradesh, Circuit at Sundernagar (Himachal Pradesh)**

CASE NO. 11/79

**Om Prakash Mechanic, Himachal Road Transport Corporation, Dharamsala .. Petitioner.**

*Versus*

1. The General Manager, H.R.T.C., Shimla.
2. The Divisional Manager, Dharamsala.
3. The Assistant Manager, H.R.T.C., Dharamsala .. Respondents.

Application under section 33-C(2) of the Industrial Disputes Act, 1947.

#### ORDER

The applicant Om Prakash Mechanic was appointed in erstwhile Mandi-Kullu Road Transport Corporation (MKRTC) Mandi as Fitter on 1-10-1953. He was promoted as Mechanic from 1-4-1966. He was confirmed with effect from 27-11-1966.

2. He alleges that he has not been paid annual increment from 1975 as yet despite several requests made in writing and verbal. So the applicant has moved this Court to determine the amount due to the petitioner.

3. The respondents Himachal Road Transport Corporation (HRTC) Management has put in written statement regarding the claim made by the applicant that it is wrong to contend on the part of the applicant that he has not been paid his annual increments from 1975. According to them the applicant was allowed increment with effect from 1-1-1975 raising his pay from Rs. 202 to Rs. 210 in the pay scale of Rs. 140-6-170/8-210/10-300. However, he was not allowed to cross Efficiency Bar with effect from 1-1-1976 as

there was a case under inquiry against him in which he was charge-sheeted on 31-12-1976. He has further been charge-sheeted on 6-3-1979 for disobedient of orders of his superiors and gross misconduct. That in such circumstances the applicant is not entitled to cross Efficiency Bar under Fundamental Rule 25 and Rule 15 of Himachal Road Transport Corporation (Class III and IV) Service Recruitment, Promotion and Certain Conditions of Services, Regulations, 1975 due to departmental proceedings pending against him.

4. To settle the dispute between the parties the following issues were framed:

- (1) Whether not allowing the crossing of the EB at Rs. 210 in the scale of Rs. 140-6-170/8-210/10-300 with effect from 1-1-1976 is justified.
- (2) Relief.

#### FINDING OF THE ISSUES

##### Issue No. 1:

5. Strangely enough the applicant has neither attached any schedule of his claim amount on account of denial of annual increment from 1975 onward nor he has care to state the amount of pay he was drawing in 1975 and the amount to which he was entitled after allowing annual increments to him. Not only this but the applicant has not given those facts in his statement made before the Court to support his claim. He simply stated that in January, 1976 annual increment was due to him which has not been given despite requests. He further stated that he was not being proceeded for any disciplinary action at that time by way of charge-sheet. In 1977 he was given charge-sheet but increment has been stopped to him since 1976. He also stated that he was not informed by the management that efficiency Bar crossing has been disallowed to him.

6. Now the question to be determined is whether the applicant is entitled to the crossing of Efficiency Bar as a matter of right or the management is authorised and justified to disallow the same, of course for good reasons.

7. Admittedly inquiry regarding the disciplinary proceedings was going on against the applicant which culminated in serving of a charge-sheet on the applicant in 1977. The stand of the management is that under the rules the management was competent to withhold and disallow crossing of Efficiency Bar to the applicant.

8. The formal order passed disallowing the crossing of the Efficiency Bar of the applicant is per copy Ex. RI dated 17-5-1977 and the Efficiency Bar crossing is disallowed with effect from 1-1-1976 by not raising his pay from Rs. 210 to Rs. 220. In fact the annual increment in 1976 had been withheld to the applicant at the stage of Rs. 210 as the Efficiency Bar was there to be crossed and cleared by the applicant.

9. The relevant rules on the matter of crossing of Efficiency Bar may be noticed as under:—

#### REGULATION 15

- (1) Himachal Road Transport Corporation (Class-III and IV) Service (Recruitment, Promotion and Certain Conditions of Service) Regulations, 1975—Crossing of Efficiency Bar.

"No member of the service holding a post in a regular capacity shall be allowed to cross the efficiency bar in a scale of pay unless in the opinion of the competent authority the work and conduct of the employee concerned has remained satisfactory that his integrity is unquestionable, and that he is not the subject matter of any Department Vigilance/Criminal proceedings and/or an enquiry".

- (2) F.R. 25 which deal with the efficiency bar is as under:—  
"F.R. 25, where an efficiency bar is prescribed in a time scale the increment next above the bar shall not be given to a Government servant without the specific sanction of the authority empowered to withhold increments under Rule 24 or the relevant disciplinary rules applicable to the Government servant or any

other authority whom the President may, by general or special order authorise in this behalf."

10. So the above rules authorise the management to withhold or disallow the crossing of Efficiency Bar to its employees. The provisions of these rules are to the effect that the employee of the Corporation has to earn this right of crossing of Efficiency Bar by efficient performance of duties. No employees shall be entitled to claim the next stage in the salary scale where Efficiency Bar falls, unless the management gives clearance in specific and positive terms for allowing the crossing of Efficiency Bar.

11. In the instant case the applicant himself admits that the next increment at the stage of Efficiency Bar was withheld to him in 1976 and he was served with charge-sheet in 1977. This shows that all was not well in regard to performance of duties by the applicant and that is why he was not cleared for release of the next increment falling due to the stage of Efficiency Bar. So it cannot be held that the respondent management was not justified in withholding and disallowing the crossing of Efficiency Bar at Rs. 210 in the scale of Rs. 140-6-170/8-210/10-300, with effect from 1-1-1976. The issue thus is held against the applicant.

*Issue No. 2:*
